INTRODUCTION

Location:

Goa College of Engineering, Goa was established in the year 1967. The college is situated at Farmagudi plateau, which is 4 kilometers from Ponda city, and about 26 kilometers from Panaji.

Aims and objectives of the Institution:

The College of Engineering has been established to meet the growing needs of the technical manpower required at different levels of management by industry, and the Government Departments in Goa, and elsewhere in the country, by imparting rigorous course-work and training at the under-graduate, and post-graduate level.

Facilities available:

The College has its own campus at Farmagudi, Ponda- Goa, where the main college buildings, laboratories, workshops, gymkhana building, staff residential quarters, lecture halls, hostel buildings with mess etc. are situated. The total area of the College campus is around 100 hectares. The general amenities like Bank, Post Office, Medical facilities, Power gymkhana, water supply, electricity, Transport facilities, Co-operative society, and canteen are provided to the students, as well as staff.

The College has got Training and Placement cell to look after the Training and employment. Every year, leading firms conduct interviews in the campus for employment of outgoing students.

Teaching Staff:

The teaching staff have been recruited through the Goa Public Service Commission on All India basis as per the qualifications laid down by All India Council for Technical Education, New Delhi.

The faculty members are deputed for M.E., Ph.D. and Post Doctoral programmes. The faculty members have also been publishing many research papers in national/international journals. The College has facilities for continuing education programmes. Many research projects have been carried out in the past. Also, refresher courses for practicing engineers are organized on regular basis.

Management:

The college is managed by the Government of Goa and is affiliated to Goa University. The laboratories, workshop and library are provided with equipments, machines, books/journals as per the norms of AICTE. The staff pattern in the College follows AICTE norms. The college offers following Post - Graduate courses with details as tabulated in *Table-1*

Eligibility for individual Group

i) The candidates applying for Group I, IV, V and VI should possess B.E. Degree from Goa University/ Goa College of Engineering.

ii) The candidates applying for Group II should posses a certificate indicating that they are employed for a minimum period of six months. The format of the sponsorship certificate is indicated in the application form

iii) All the candidates with the qualifying Degree from any other University are considered in Group III (General). The candidates eligible in Group I will not be considered in Group III.

iv) The candidates applying for Group IV should submit Caste Certificate (SC/ST) in format enclosed at Annexure A.

v) The candidates applying for Group V should submit Caste Certificate (OBC) in format enclosed at Annexure B.

vi) The candidates applying for Group VI must produce a certificate from the Medical Board of GMC regarding disability.

Note – (Applicable to all the M.E. courses)

i.) Candidates with AMIE/AMIETE certificate are eligible for admission in all the Groups except Group I, provided they submit the appropriate certificate required for the respective Group.

ii.) Any seat in M.E., in any Group, remaining unfilled shall be first transferred to Group I. If there are no eligible candidates remaining in Group I, then seats remaining will be transferred to Group III.

iii.) Minimum of 50% in final year examinations (last two semesters) or equivalent CPI of 5.5 should be secured by the candidates. In case of candidates with AMIE/AMIETE certificate, minimum of 50% of marks should be secured in Section B.

iv) The merit list will be based on the GATE score of the valid GATE Score card issued by competent authority.

> a) If GATE scores are equal, then candidates with higher aggregate marks in B.E. Degree (final year/last two semesters) will be placed higher in the merit list.
>
> b) If the marks in B.E. Degree (final year/last two semesters) are equal then the candidate with higher aggregate marks (i.e. 3yrs /4 yrs) will be placed higher in the merit list.

v) If any seats remain vacant in any of the category after considering the candidates with GATE score, merit for remaining seats will be decided based on the percentage of marks secured in B.E. Degree (final year/last two semesters). In case of candidates with AMIE/AMIETE certificate, the percentage of marks secured in Section B will be considered for deciding the merit.

   a) If the marks in B.E. Degree (final year/last two semesters) are equal, then the candidate with higher aggregate marks (i.e. 3yrs /4 yrs) will be placed higher in the merit list.

b) In case of candidates with AMIE/AMIETE certificate, the percentage of marks secured in Section B are equal, then the candidate with higher percentage of marks secured in Section A will be placed higher in the merit list.

vi) In all the cases covered above in case of candidates possessing GATE Score, if B.E. results of candidates are yet to be declared, as on date of admission, the admission of such candidates will be purely provisional. Such candidates will be only allowed to attend the classes, till the time their results are declared, and only if such candidates are declared to have passed their BE Exams, then their provisional admission will be confirmed.

At the time of such provisional admissions, the candidate will have to pay full fees, as applicable, of which, all refundable fees will be refunded, if a candidate is rendered ineligible after declaration of BE results.

vii) If any seats remain vacant in any of the category, remaining seats will be allotted to candidates awaiting their final year result, only after the declaration of their result, based on their aggregate marks in Final year.

viii) If seats are still vacant after considering B.E./AMIE candidates as per point (i) to (vii), the remaining seats will be allotted to the candidates having Degree from Open Universities, provided the qualifications are recognised by UGC/AICTE/DEC / Goa University.

ix) In case if the final year B.E. marks cards are provided in Grade points, then it is converted into percentage of marks by the below mention formula,

Average Percentage of Marks: (CGPA – 0.5) x 10.
