INTRODUCTION

Location:

Goa College of Engineering, Goa was established in the year 1967. The college is situated at Farmagudi plateau, which is 4 kilometers from Ponda city, and about 26 kilometers from Panaji, capital city of Goa. This premier campus is 21Km from Kokan Railway station at Madgaon and 33 Km from Dabolim- Airport at Vasco- da- Gama. The College is just 2km off the NH4 at Farmagudi on Panaji- Belgum Highway.

Aims and objectives of the Institution:

The College of Engineering has been established to meet the growing needs of the technical manpower required at different levels of management by industry, and the Government Departments in Goa, and elsewhere in the country, by imparting rigorous course-work and training at the under-graduate and post-graduate level.

Facilities available:

The College has its own campus at Farmagudi, Ponda-Goa, where the main college buildings, laboratories, workshops, gymkhana building, staff residential quarters, lecture halls, hostel buildings with mess etc. are situated. The total area of the College campus is around 264 acres. The general amenities like Bank, Post Office, Medical facilities, Power Gymkhana, water supply, electricity, Transport facilities, Co-operative Society, and Canteen are provided to the students, as well as to staff and faculties

The College has got Training and Placement cell to look after the Training and employment prospects of the students. Every year, leading firms conduct interviews in the campus for employment of outgoing students.

Teaching Staff:

The teaching faculties have been recruited through the Goa Public Service Commission on All India basis as per the qualifications laid down by All India Council for Technical Education, New Delhi.

The faculty members are deputed for M.E., Ph.D. and Post Doctoral programmes. The faculty members have also been publishing many research papers in national/international journals. The College has facilities for continuing education programmes. Many research projects have been carried out in the past and many are ongoing. Also, refresher courses for practicing engineers and faculties are organized on regular basis.

Management:

The college is managed by the Government of Goa and is affiliated to Goa University. The laboratories, workshop and library are provided with equipments, machines, books/journals as per the norms of AICTE. The staff pattern in the College follows AICTE norms.

The college offers following Post - Graduate courses with details as tabulated in *Table-1*

Eligibility for admission to Master of Engineering

Nationality: The applicant must be a citizen of India.

Qualifications:

Eligibility for Admission:

(i) Any person with a degree of Bachelor of Engineering of minimum 4 years duration of Goa University or of any other University/Institution recognized as equivalent to the Bachelor of Engineering degree of Goa University (including AMIE, AMICE and IETE) shall be eligible for admission, as per the table below in the appropriate/corresponding stream:

Sr. No.	Master of Engineering Degree in	Qualifying Bachelor of Engineering Degree
01	Foundation Engineering / Structural Engineering	Civil Engineering
02	Electronics & Telecommunication (Microelectronics/ Electronic Communication & Instrumentation/ Industrial Automation & RF Engineering	Electronics & Telecommunication Engineering / Electronics & Communication Engineering/ Electronic Communication/Electronic Engineering /Electrical Engineering / Electrical & Electronics Engineering / Information Technology/ Computer Engineering /Computer Science & Engineering/ Instrumentation Engineering / Electronic Instrumentation/ Instrumentation & Control/Bio-medical Electronics/ Process Control Engineering / Instrumentation & Control Engineering/Control Engineering/ Industrial Electronics/ Power Electronics /Biomedical Engineering

05	Industrial Engineering	Any stream of Engineering
06	Information Technology & Engineering	Computer Engineering/Computer Science & Engineering/Electronic & Telecommunication Engineering/ Electrical & Electronic Engineering/ Information Technology/ Information Science & Engineering

(ii) Candidates having any of the qualifying degrees from other than Goa University, shall be provisionally admitted to the respective ME programme, subject to submission of a Provisional Eligibility Certificate issued by Goa University.

(iii) Candidates having any other degree not specified in the above list shall apply for issue of Provisional Eligibility Certificate to the University. Such cases shall be decided by a Committee comprising of the Registrar along with the Dean of the concerned faculty and Chairperson(s) of the Board(s) of Studies of the concerned subjects and issued by Goa University. Such candidate(s) shall be provisionally admitted to the respective ME programme, subject to submission of Provisional Eligibility Certificate.

Eligibility for individual Group

i) The candidates applying for Group I, IV, V and VI should possess B.E. Degree from Goa University/ Goa College of Engineering.

ii) The candidates applying for Group II should possess a certificate indicating that they are employed for a minimum period of six months. The format of the sponsorship certificate is indicated in the application form.

iii) All the candidates with the qualifying Degree from any University (including Goa University) are considered in Group III (General).

iv) The candidates applying for Group IV should submit Caste Certificate (SC/ST) in format enclosed at Annexure A.

v) The candidates applying for Group V should submit Caste Certificate (OBC) in format enclosed at Annexure B.

vi) The candidates applying for Group VI must produce a certificate from the Medical Board of GMC regarding disability.

Note – (Applicable to all the M.E. courses)

i.) Candidates with AMIE/AMIETE certificate are eligible for admission in all the Groups except Group I, provided they submit the appropriate certificate required for the respective Group.

ii.) Any seat in M.E., in any Group, remaining unfilled shall be first transferred to Group I. If there are no eligible candidates remaining in Group I, then seats remaining will be transferred to Group III.

iii.) Minimum of 50% at Qualifying examinations (last two semesters) (45% in case of reserved category, ST/SC/OBC) or equivalent CPI of 5.5 should be secured by the candidates. In case of candidates with AMIE/AMIETE certificate, minimum of 50% of marks should be secured in Section B.

iv.) Minimum two years full time work experience in registered firm/Company/Educational /Government, Autonomous Organisation in the relevant field in which admission is sought for part time course.

v) The merit list will be based on the GATE score of the valid GATE Score card issued by competent authority.

a) If GATE scores are equal, then candidates with higher aggregate marks in B.E. Degree (final year/last two semesters) will be placed higher in the merit list.

b) If the marks in B.E. Degree (final year/last two semesters) are equal then the candidate with higher aggregate marks (i.e. 3yrs /4 yrs) will be placed higher in the merit list.

vi) If any seats remain vacant in any of the category after considering the candidates with GATE score, merit for remaining seats will be decided based on the percentage of marks secured in B.E. Degree (final year/last two semesters). In case of candidates with AMIE/AMIETE certificate, the percentage of marks secured in Section B will be considered for deciding the merit.

a) If the marks in B.E. Degree (final year/last two semesters) are equal, then the candidate with higher aggregate marks (i.e. 3yrs /4 yrs) will be placed higher in the merit list.

b) In case of candidates with AMIE/AMIETE certificate, the percentage of marks secured in Section B are equal, then the candidate with higher percentage of marks secured in Section A will be placed higher in the merit list.

vii) In all the cases covered above in case of candidates possessing GATE Score, if B.E. results of candidates are yet to be declared, as on date of admission, the admission of such candidates will be purely provisional. Such candidates will be only allowed to attend the classes, till the time their results are declared, and only if such candidates are declared to have passed their BE Exams, then their provisional admission will be confirmed.

At the time of such provisional admissions, the candidate will have to pay full fees, as applicable, if a candidate is rendered ineligible after declaration of BE results, the refund amount will be done based on refund procedure upto 2nd round of Admission. Later on only refundable fees will be refunded.

viii) If any seats remain vacant in any of the category, remaining seats will be allotted to candidates awaiting their final year result, only after the declaration of their result, based on their aggregate marks in final year.

ix) If seats are still vacant after considering B.E./AMIE candidates as per point (i) to (viii), the remaining seats will be allotted to the candidates having Degree from Open Universities; however Degree has to be recognised by AICTE for post graduate studies.

x) In case if the final year B.E. marks cards are provided in Grade points, then it is converted into percentage of marks by the formula provided by concern University, if formula is not provided by concern University, then below mention formula will be used.

Average Percentage of Marks: $(CGPA - 0.5) \times 10$.

X) During the last round of admission, the seat will be confirmed only on submission of DD on spot which can be neither be cancelled nor returnable being last round.

Certified scan copies of testimonials and certificates to be attached

1. Bachelor Degree in Engineering or equivalent & Passing certificate
2. Marks sheets of final year examinations
3. Provisional Eligibility from Goa University (if applicable)
4. Migration Certificate (if applicable)
5. Sponsorship Certificate for Group II
6. Valid Gate Score Card (if any)
7. Caste Certificate in format enclosed at Annexure A for Group IV

8. Caste Certificate in format enclosed at Annexure B for Group V
9. Certificate of Physically Handicapped from GMC for Group VI
10. College Leaving Certificate
11. Experience Certificate for part time course.

Rules of Admission

1. All the applicants desirous of admission must comply with the provisions of this prospectus
2. The application form for the admission is available on the college website www.gec.ac.in.
3. Candidates shall submit online application form together with certified scan copies of all required documents and fees on or before **01/08/2017**
4. The candidate applying for more than one P.G. Course (Civil – Foundation & Structural, ETC-all specialisations, Power & Energy, Computer Science & Engineering, Information Technology & Engineering and Industrial Engineering) shall submit separate application form, together with application fees for each course.
5. Common merit list shall be prepared for admissions to all M.E. courses, in all Groups.
6. The merit list shall be displayed at 4.30 pm on the designated date.
7. The admission process will start at 11.00 am on the designated date.
8. All the candidates desirous of taking admission must remain present during the admission round, together with acknowledgement card.
9. If number of eligible candidates applying for any course are less than five, then the Principal, Goa College of Engineering reserves the right not to admit any students for that course for the year 2017-2018.(In such circumstances their application fees will be reimbursed)
10. Principal, Goa College of Engineering, reserves the right to modify the schedule of admission, depending upon the exigency of the situation.
12. The selected candidates have to file affidavits online giving undertakings on Anti-Ragging on www.amanmovement.org/ or www.antiragging.in/ and submit signed ANTI RAGGING Undertaking BY STUDENTS AND PARENTS in the Institute, downloaded from anti ragging website.

Intimation of Provisional Selection/Waiting list of admission

1. The applications in the prescribed form received for admission will be scrutinized in terms of the provisions in the prospectus and merit list of the eligible applicants will be displayed on the college notice board.
2. The candidates may refer to schedule of admission process for all the important dates. Candidates must report in person during admission rounds.
3. If the candidate fails to report as per schedule, or is found to be unsatisfactory as a result of scrutiny of his/her certificates, the offer of admission shall be cancelled and the same will be offered to the next eligible candidate in the waiting list.

Cancellation of admission:

- a) Applications not complete in all respects or not supported by all required certificates shall be summarily rejected.
- b) Any candidate who is offered admission must pay the prescribed fees during admission round. The admission shall be treated to have been completed only after the deposit of original documents and payment of full fees, failing which their admission is liable to cancel.
- c) The admission offered to the candidate shall be cancelled, if later on the Goa University declares that the candidate is not eligible for the admission.
- d) Even if candidate pays the tuition fees but fails to join the college within fifteen days from the date of payment of tuition fees, or remains absent for more than fifteen days, without intimation or prior permission, Principal may, at his discretion, cancel the admission of such candidate.
- e) If any information furnished by the candidate in connection with his/her admission is later, at any time, found to be incorrect, the admission of the candidate will be cancelled from the college and fees paid by the candidate shall be forfeited. The decision of the Government in this matter shall be final.
- f) No correspondence shall be entertained from the candidates regarding the selection.
