# INTRODUCTION

## **Location:**

Goa College of Engineering, Goa was established in the year 1967. The college is situated at Farmagudi plateau, which is 4 kilometers from Ponda city, and about 26 kilometers from Panaji.

## **Aims and objectives of the Institution:**

The College of Engineering has been established to meet the growing needs of the technical manpower required at different levels of management by industry and the Government departments in Goa and elsewhere in the country by imparting rigorous course-work and training at the under-graduate and post-graduate level.

## **Facilities available:**

The College has its own campus at Farmagudi, Ponda- Goa, where the main college buildings, laboratories, workshops, gymkhana building, staff residential quarters, lecture halls, hostel buildings with mess etc. are situated. The total area of the College campus is around 100 hectares. The general amenities like Post Office, Medical facilities, Power gymkhana, water supply, electricity, Transport facilities, Co-operative society, and canteen are provided to the students, as well as staff.

The College has got Training and Placement cell to look after the Training and employment. Every year leading firms conduct interviews in the campus for employment of out going students.

## **Teaching Staff:**

The teaching staffs have been recruited through the Goa Public Service Commission on All India basis as per the qualifications laid down by All India Council for Technical Education, New Delhi.

The faculty members are deputed for M.E., Ph.D. and Post Doctoral programmes. The faculty members have also been publishing many research papers in national/international journals. The College has facilities for continuing education programmes. Many research projects have been carried out in the past. Also, refresher courses for practicing engineers are organized on regular basis.

## **Management:**

The college is managed by the Government of Goa and is affiliated to Goa University. The laboratories, workshop and library are provided with equipments, machines, books/journals as per the norms of AICTE. The staff pattern in the College follows AICTE norms. The college offers several Post graduate courses with details as tabulated in *Table-1*
