RESUME BUILDING WORKSHOP

On 13th April 2022, Team INTENSA organised a beautiful workshop on the topic 'Resume Building with Canva' with our very own TE student Srinidhi Bhat as its resource person. The speaker gave an insightful presentation, explaining the importance of building a good resume and how Canva could play a key role in it.

TECHFLUENCE-2022

The Information Technology Engineering Department in association with INTENSA of Goa College of Engineering, Farmagudi-Goa organized the second edition of the intercollegiate technical event 'Techfluence 2k22- Influenced by Technology' on 9th and 10th June, 2022.

The first day began with 'Guns & Roses' All Goa CSGO competition followed by 'Smartacus'- The Open Quiz, 'Hot Drop'- BGMI competition and 'ReplUcate'-UI Replication.

The second day commenced with 'CodeGround'- Coding Competition which received a good number of coding enthusiasts from all over Goa. A challenging line follower event followed by the intense CSGO finals were conducted next. To add to this enriching experience, overwhelming talent was seen in the open talent show that wrapped the event on an exciting note.
