# TABLE OF CONTENTS

## Our Vision

*"Set high academic standards in Engineering education and research and accomplish this goal"*

# WELCOME ADDRESS BY THE PRINCIPAL

**Dr. Vinayak N. Shet**  
**Principal**

## **To Our New Students**

It gives me immense pleasure in welcoming you to the Goa College of Engineering. Since its establishment in 1967, the college has helped more than 9000 students to achieve their dream of becoming Engineers. We have a determined focus of having an independent campus, infrastructure and facilities that would boast international standards.

## **STRATEGIC HIGHLIGHTS**

We feel very happy to be known as an institution that is gearing to become one of the finest in the country, in the fields of Engineering. While we are aware of our social responsibility as educators, we also aim at instilling the same spirit of service as Professional Technocrat in our students.

## **INFRASTRUCTURE & FACILITIES**

To achieve our goals of excellence in technical education, we are equipped with the state of the art infrastructure facilities including a fully stocked and updated library, well appointed climate laboratory, highly experienced faculty members, furnished class rooms, computer labs, and other laboratories. On-campus facilities such as hostels, hospital, bank, and playground are available to all.

## **OPERATING HIGHLIGHTS**

At Goa College of Engineering, students are encouraged to participate in the extensive array of opportunities which exist beyond the classroom. Our excellent team ensures that every student is guided and cared. The college conducts a range of events from social awareness to international cultural exchange programs to impart life skills and global competencies to students. The activities of various clubs and associations on the campus ensure that the GEC students are dynamic and well groomed in social and event management skills also.

## **LOOKING AHEAD**

I am confident, that with the support of my efficient and dedicated team and forever enthusiastic students, we shall continue to deliver the best Technical education to students admitted in this college.

**Dr. Vinayak N. Shet**  
**Principal**  
**June- 2015**

# REGISTRATION FORMALITIES TO BE COMPLETED

The admission to Goa College of Engineering is based on state level Common Entrance Test (GCET) conducted by Directorate of Technical Education Provorim Goa. The seat allotment is done through Centralize Counseling at DTE. The student have to come to GEC after seat allotment at DTE for completing following formalities of registration.

## 1. REGISTER NAME AT GOA ENGINEERING COLLEGE

The College has setup Registration Counter/ Facilitation counter for New Students Registration at Academic Section building. The Registration form, Anti-ragging affidavit, Attendance Undertaking forms are supplied to you with this brochure which are to be filled and submitted at Academic Section - Registration Counter. Please bring copies of following documents which are to be enclosed to Registration Form.

- i. Copy of Admit Card issued by DTE
- ii. Copies of SSC & XII Mark sheets
- iii. Two Anti Ragging - Notarized Affidavits on hundred rupees non-judicial stamp duly signed by Parent and concerned student
- iv. Four colored recent passport size photographs
- v. Eligibility certificate (only for Students passed 12th Std., from other than Goa Board required to submit ELIGIBILITY CERTIFICATE from Goa University while registering at GEC admission counter)
- vi. Student needs to fill up GCET rank and PM score details in the new student registration form.

**Our staff at Registration Counter will enter all details in the Computerized Student Database and will acknowledge the registration and issue PROVISIONAL REGISTRATION SLIP.**

## 2. APPLY FOR ON-CAMPUS HOSTEL ACCOMMODATION (ONLY IF YOU NEED)

If you are interested in availing on campus Hostel Accommodation then visit Hostel Coordinator Office located at opposite to Placement Cell in Main Building Annex. The Hostel request form to be submitted to respective Hostel Office. The Hostel room allotments are done for all needy students.

# REGISTRATION FORMALITIES TO BE COMPLETED

## 3. REGISTER FOR BUS /TRANSPORT FACILITY

The College has 7 buses which operate regularly between GEC Campus and Ponda city. The students traveling from different cities may register their name for availing bus transport facility. If student is interested in this facility they need to enroll name in the register for bus facility at registration counter. An arrangement is being made every year with state owned Kadamba Transport Corporation Ltd., to fly buses directly to the campus from different cities. This is a paid service from Kadamba Transport Corporation for engineering students.

## 4. ENROL YOURSELF FOR BANK ACCOUNT WITH CORPORATION BANK AT GEC CAMPUS

Each student in the campus is insured under Group Insurance Scheme (As per latest AICTE guidelines). Newly admitted students are required to open an S.B account with Campus Bank (Corporation Bank). Arrangements have been made with the bank to issue campus ATM card cum identity card. The college will ensure Group insurance of EACH student through the student bank account. Bank officials will be available at Registration Counter to help you open NEW BANK ACCOUNT. Student may need copy of Provisional Registration Slip issued by college for opening Bank Account. Details of Campus Card are available on college website [www.gec.ac.in](http://www.gec.ac.in)

## 5. APPLY FOR STUDENT IDENTITY CARD, LIBRARY CARD GEC WEBSITE /MIS LOGIN ID

On successful registration, PROVISIONAL REGISTRATION SLIP and PROVISIONAL IDENTITY CARD will be issued to the student at registration counter. The new Identity Card with PERMANENT ROLL NUMBER will be issued to the students by the Academic Section at later stage only after final round of admission. Student may look for notice issued by academic section at later stage. Students are also required to apply for library book bank facility at later stage once semester is started. A notice to this will be issued.

All the process at GEC are computerized hence student need LOGIN ID and PASSWORD for logon to GEC website to get details pertaining to Academics, applying for examinations, results viewing/printing, applying for certificates, attendance records and Library books issue /return records. Login id and password will be issued at later stage after student admission is confirmed. This facility is available only in the GEC campus over INTRANET

## DOCTOR OF PHILOSOPHY IN ENGINEERING PROGRAM (PH.D. DEGREE)

Goa college of Engineering is recognized as Research Institute under Goa University. The affiliation to Ph.D. programs in Civil, Mechanical, Electrical & Electronics, Computer Science & Engg and Electronics & Telecomm Engineering are recognized from academic year 2014-15 onwards. The Ph. D programs are started from the academic year 2014-15 onwards.

## 8. CENTRAL LIBRARY

One of the most important student's resources, the college library which is fully computerized housed in a spacious separate building located left side of main building. Library can accommodate more than 300 students at reference and reading room sections. The central library is ever expanding and currently holds more than 86,000 books and a number of periodicals, magazines and journals. In addition departmental libraries are functional. Underprivileged students are provided with book bank facility whereby the students can borrow 25 to 30 prescribed books up to a period of one year. In addition multimedia /CD section has a large collection of resources. The library has a rich collection of books on engineering and technology as well as mathematics, Physics, Chemistry and Management. The library facilities are extended to students from 9.00 A.M. to 6.00 P. M. The students requiring library facility should to register at library and obtain library card.

## 9. COMPUTER AND COMMUNICATION CENTRE.

The entire campus is connected by fiber optic network providing EPABX and internet connectivity through 20 Mbps leased line. The central computer centre is housed in library building has more than 80 computers. The centre is also used for conducting online campus recruitment tests and other competitive examinations. The first year computer programming practical are also conducted in this centre.

## 10. HOSTELS – ON CAMPUS RESIDENTIAL ACCOMODATION

The institute has on campus residential accommodation facilities for students who are admitted to the UG and PG programs. There are 4 hostels for Boys with an intake capacity of 120 each on a sharing basis for the first three years and single occupancy in the final year. There are 2 separate hostels for Girls with total intake capacity of more than 280. All hostels are having independent mess facilities. The messes attached to the hostels are fully managed by students. All the hostels are provided with internet Wi-Fi connections.

## 11. SPORTS & GYMKHANA

The institute has facilities for recreation with outdoor playing fields, like a basketball court, a football/ cricket ground and indoor playing facilities like badminton and table tennis. In addition there is a well equipped Power Gymnasium. The institute has been successful in winning laurels at the inter-collegiate level in various sports like cricket, badminton, swimming, judo and body building.

## 12. CANTEEN AND FOOD CORNERS

The institute has full-fledge canteen with sufficient seating arrangement and it is run on contractual basis for benefit of staff and students. Another cafeteria located in shopping complex near the main gate of the college. There is also a fast food stall, which is a franchise of Nestle and serving all nestle products. A cake shop is also present on the first floor of Shopping Complex. Also there are tea shacks inside and near outside campus which serve fast foods.

# CAMPUS FACILITIES

## 13. BANK AND ATM

A full fledged bank branch and ATM of Corporation Bank (Govt. of India undertaking) functioning in the campus located near main gate in the shopping complex building. The semester fees and Goa University examination fees are accepted at this branch. The bank offer educational loan, scheme for purchasing computer and laptops. A special SB account scheme with insurance coverage of Rs.500000/- with no minimum balance launched by the bank for the benefit of students and staff.

## 14. MEDICAL AND COUNSELLING CFACILITY

A medical dispensary is available in the campus which is located near staff quarters on the left side of road leading to (near Girls hostel). The service of a qualified doctor is available on Monday, Wednesday and Friday afternoons. The on campus counseling for students with distress and study sickness is also arranged. A visiting councilor is available for consultation twice a week. The contact details are available at the College Office.

## 15. STUDENT CO OPERATIVE SOCIETY

A co-operative society has been in operation for more than 35 years to cater to the needs of the students and staff which include P.C.O., photocopying facility, stationary, instruments, etc. Different format for applying to scholarships and certificates are also available here. A student reference B. E. syllabus copy is also being sold here.

## 16. TRANSPORT

The institute provides transportation facilities to the staff and students of the college between Ponda and Farmagudi Campus at regular intervals. Nominal fare is collected. KTC also supplements by running their buses from important cities in Goa directly to college campus.

# STUDENT ASSOCIATIONS & TECHNICAL EVENTS

## i. ACES - THE ASSOCIATION OF CIVIL ENGINEERING STUDENTS

The Association of Civil Engineering Students (ACES), Goa Engineering College organizes its annual Technical Festival "NIRMAAN". ACES are organizing this Technical Event for the past few years and have been successful in generating overwhelming response.

This event has gained good reputation over the years among civil engineering students. The events include Paper Presentation, AUTO-CAD Design, Parallel Intelligence, Model Making, Quiz Competition, Truss Making, Engico Roadies etc. In addition to this in association Department conduct a Technical Night specially for alumnus and Industry Partners for collaborating.

## ii. MESA - MECHANICAL ENGINEERING STUDENTS ASSOCIATION

Mechanical Engineering Students Association (MESA) organizes "Torque" the annual Techno-Cultural fest, which has events that vary from pure technical, academic, to light hearted FUN events and Workshops, Exhibitions. The array of events like Auto Quiz, Robot-Control.

Robo show, Catapult, Solid works modeling, Para object, Tech Race, Black Box, Shootout at Torque, Weapon Expo, Auto Expo, Laser Show, Stunt Show

## iii. ENEXSA - ELECTRICAL AND ELECTRONICS ENGINEERING STUDENTS ASSOCIATION

SPARX Is an annual national level inter-collegiate annual technical and design festival. the Event that sees the Organization of a number of Technical And Non-Technical Events hosted by The students of the Department of Electrical and Electronics Engineering spearheaded By ENEXSA.

The 8th edition of the event is set to Materialize In March 2015. BUILD. DESTROY. CONQUER! was the slogan used this year with robot-war as a special event.

# STUDENT ASSOCIATIONS & TECHNICAL EVENTS

## IV . CURSOR - ASSOCIATION OF COMPUTER ENGINEERING STUDENTS

TECHNIX, is one of the premier national level technical festival in Goa. There are both technical and fun events in the fest. This fest is organised by CURSOR in association with Computer Engg. Department.

The events in the fest are Techies, Buildathon, Thinkbiz, Amigoz, Synchronize, Klueless, Gaming (fifa 13, nfs), Picasso, B-Quizzed Shakespuzzled E-waste.

## V . INTENSA - INFORMATION TECHNOLOGY STUDENTS ASSOCIATION

Abhivyakti, a National Level Technical Event is organized by the Goa College of Engineering and INTENSA (Information Technology Engineering Students Association). It was initiated in the year 2006 as a National Level Technical Paper Presentation.

Since its inception it continues to make excellence a habit and innovation routine, growing at an

astonishing rate to become largest of its kind in the region and a formidable contender on the national scene. Since 2010 it is conducted as a National Level Technical Event comprising of Project & Paper Presentations, Business Events, Workshops, Technical, Creative and Gaming Events

## VI . ASSETS - ASSOCIATION OF ELECTRONICS AND TELECOMMUNICATIONS ENGINEERING STUDENTS

An ASSET is a non-profit organization for the overall growth of future electronics and telecommunication professionals. It aims at the growth of every students and their overall development as an individual, nurtured in all respect and made ready to face life.

'Technosangram' is the biggest Annual Tech-fest In Goa Organized by Association of Electronics and Telecommunication Students of Goa Engineering College.

At "TechnoSangram" budding engineers are encouraged to come forward and showcase this Revolutionary Spirit. TechnoSangram attempts to capture the true essence of an engineer and take pride in field of interest. The events are Robo-Sangram, Lights, Camera, Action, Texhibition, Techno[mind it] Mix-ellaneous, Techpro• Technotrix(Project And Paper Presentation) Workshops

## 19. TANDAV

TANDAV IS the inter-branch competition is the most awaited event among the students. Students don't miss this chance of showcasing their talents to win the 'TANDAV Trophy' for their branch. Mr & Miss Engico is being the main attraction of TANDAV.

### 3. PHOTOFLARE

Photo Flare is an International Photography Festival organized by the Photography Club of Goa Engineering College. The GEC Photography Club is established to provide the members a platform to exhibit their talent and increase their exposure to the marvelous World of Photography. Within a short span of time, the Club at GEC has grown significantly as more students are joining as members, and developing a love for the Art of Photography. Competitions are conducted on a monthly basis, Photo treks and meetings are held regularly.

# CAMPUS RECRUITMENT

The Goa College of Engineering (GEC- Goa) is well known for its academic excellence and is often considered as the 'first stop' for a large number of industries and other organizations for recruiting undergraduate students. We truly appreciate the faith bestowed on us from several organizations and we look forward to continuing our relationship with them.

The Placement Office is run and managed by the Dr. Manoj Choukuse, Professor from Physics. Students handle all aspects of placements at GEC-Goa. Right from contacting companies to managing all logistics of arranging for tests, pre-placement talks and conducting final interview. The hospitality and the functioning of Placement Office is applauded and well received by the visiting recruiters every year. With over 40 companies contacting each year Placement Office has maintained a prolific placement record among Engineering Colleges in Goa

GEC students are known for Commitment and quality among the recruiters. The advantages of hiring from GEC are

1. Willingness to learn
2. Hard work with a smile
3. Flexibility
4. Complete Professionalism
