

Dear Faculty/Student,

We are excited to let you know about a new scholarship opportunity for students of India.

Our scholarship is called "BestReviewz Essay Writing Scholarship" of Rs. 20,000, and it's designed to help many deserving students who have a passion for 'content writing'. Many of them could be in urgent need of a scholarship.

Here is a brief list of our requirements:

- Students have to jot down a few words between 500-1000 on the subject, 'Internet Marketing and its importance in the web in 2017'.
- The content should be original and well-written.
- Creativity, value of the information provided and many such factors will be taken into consideration while assessing content.
- Students have to submit a 500-1000 word long article via word.doc file.

We would be honored if you'd be kind enough to add our award (<http://bestreviewz.org/scholarshipindia/>) to your scholarship page.

Of course, we're here to answer any questions you may have.

Thank you,

(BestReviewz Team)
